Re: Request for Certificate of Correction

Consideration has been given your request for the issuance of a certificate of correction for the above-identified patent under the provisions of Rule(s) 1.322 and/or 1.323.

A petition under C.F.R. 1.182 is required to correct the alleged errors in incorrect inventor(s) address, since inventors' addresses are printed in accordance with the "*Residence Address in assigned patents or P. O. Box Address for not assigned patents*" on the Declaration. The error is the result of applicant's failure to comply with requirements that the complete and correct address is indicated. Therefore, no correction is in order here under the provision of Rule 1.322 or 1.323, unless a petition is granted.

In view of the foregoing, your request, in this matter, is hereby denied.

In the Request, Applicant(s) may request that the file be forwarded to Certificates of Correction Branch, for issuance of a Certificate of Correction, if the Request is granted.

Any request under 37 CFR 1.182 should be directed to the following address or facsimile number:
